INQUIRY

Multitude of and large whirly ornaments

DISCUSSION

1. Lake banks - Retaining walls have been completed for 2016 this completes the first 5 year plan with the exception of a small portion of the lake in the

Cricket Ct area. Next winter this it will be the first project to finish. The arrival of Spring rain raised water levels and could not be completed.

2. Assignments

3. Other Pat asked for

a member of ARC to join Lake bank committee

Discussed unkempt properties in ARC members areas with Spring rains.
