

**COMMUNICATIONS COMMITTEE REPORT TO
MYRTLE TRACE BOD
WEDNESDAY, MARCH 15, 2023**

The MT Greeters met with 3 new residents in February 2023:

- 1. Cheryl and Michael Manzella, 102 Moss Circle, visited on February 12.**
- 2. Beverly and Ted Roof, 175 Myrtle Trace Drive, visited on February 18.**
- 3. Mary and George Beason, 227 Cricket Court, visited on February 20.**

Thanks to our Webmaster, Joe Martin, the following revisions have been made to the web site:

1) We posted the year-end Committee Chairs' reports as part of the Annual Meeting tab (included under the HOA Board Activities section of the website.)

2) We moved the "Mission Statement" which had a link on the entrance page to now be under the HOA Board Activities section. The Mission Statement is actually the Board's Mission Statement not the Association's.

3) We moved the link to "Maps" from under the Home Page section to be accessible under the Homeowner Resources section.

As a reminder, our website is the official source of information for our community. Please take advantage of all that it has to offer.

COMMUNICATIONS COMMITTEE REPORT TO THE MYRTLE TRACE BOD

As you all know, the Communications Committee was run for many years by one person, Ted Ackley, AKA, the “Energizer Bunny.”

I congratulate Ted on handling the duties of this committee all by himself, but I have decided in order to keep it running as smoothly as he left it, I needed to enlist a Co-Chair. Luckily, Santo Perry, has agreed to fill that role.

Santo and I have met and have agreed that since our committee has so many sub-committees, we will meet with each member and confirm their responsibilities, duties, who they report to, etc. Our goal is to ensure that MT residents are kept up to date of the community’s business by every means possible in a timely and accurate manner.
