

COMMUNICATIONS COMMITTEE REPORT TO

MYRTLE TRACE BOD

WEDNESDAY, MARCH 20, 2024

The MT Greeters met with one new resident in February:

1. Delores and Richard Lawrence, 182 Glenwood Drive, visited on February 8, 2024.

WEB SITE:

The BOD has indicated they will be convening in the next month to discuss the migration of our new web site which is currently taking place, due to the structure and application of the site being upgraded. The BOD has agreed to review each and every item currently on the site and decide what should remain and what they feel should be removed. As a reminder, we are available for direction and assistance in this matter.

NEWS AND VIEWS CALENDAR:

We'd like to remind our residents that the N&V's calendar is a schedule of events taking place in the clubhouse. Any MT related events that do not take place at the clubhouse, may be featured in the N&V's as an insert. And thanks to Carol's revamping of the N&V's, these events will also be listed in the Content section on page 2. Please be reminded that any inserts/fliers must be submitted to Jeanie Rhodes prior to the deadline listed in each issue of the N&V's.
