## BOARD BRIEFS

### CLUBHOUSE REFURBISHMENT

A special meeting for all Myrtle Trace homeowners will be held in the Clubhouse at 2:00 pm on Tuesday, September 3rd, to announce the Clubhouse Refurbishment Plan which has been accepted by the Board of Directors. Committee Chairman Bill Fox will give the presentation which will include a description of each element of the Plan along with the estimated costs.

### NEW PROPERTY COMMITTEE CHAIRPERSON

The Board of Directors announced the appointment of Nancy Southard as Chairperson of the Property Committee at its August meeting. Nancy will continue to be a most valuable asset to our community. Former Chairperson Malcolm Macphee has agreed to serve as Vice Chairperson to assist with a smooth transition. The Board deeply appreciates Malcolm's conscientious dedication and the countless hours he has devoted to the betterment of Myrtle Trace.

### SURFACE WATER DRAINAGE

The heavy summer rains have revealed drainage problems on some individual Myrtle Trace properties. Residents must recognize that the diversion of storm water from the surface of a lot is the sole responsibility of its owner. No one should look to the Association for financial assistance in developing or implementing a drainage plan for their property. A resident desiring to construct water diversion facilities or to alter the landscaping on his or her lot must present a request and receive approval from the Architectural Review Committee before proceeding with the work.

### OCTOBER POOL USAGE

At its July meeting, the Board of Directors approved a request to keep our pool open during the month of October. The success of this extended pool season will determine future of such a pool schedule. Since there are no Pool Monitors on duty during September and October, it is important that pool users sign the Visitors Log which will be located in the Cabana. The Log will be used to determine the pool usage during both September and October.

### NEIGHBORHOOD WATCH

I received a call from a resident of Boxwood Lane recently telling me that her car was ransacked during the night. The police investigated and were on their way to another Myrtle Trace resident who had the same complaint. The resident told me that she had forgotten to lock the car. We must be vigilant and lock up our vehicles that are left out at night. You worked hard for your "stuff" - you need to protect it !!

### *Thank You*

On July 29, 2013, I had a total right hip replacement at CMC. Many of my Myrtle Trace friends and neighbors and my church have reached out to me with kindness through phone calls, visits, e-mails and cards. I had a lot of apprehension prior to the decision to have my hip replaced. I sincerely appreciate all of the thoughts and prayers as I continue to recover.

### MYSTERY BOOK CLUB

The Mystery Book Club has room for 4 more members. We read an assortment of mystery writers and have lively discussions encompassing the views of the Women and Men in our group. Our next book is "Inferno" by Dan Brown. It is an excellent mystery about finding a biologic agent in time, which will thin out the world's overcrowding population. The clues involves Dante's inferno. It is fast-paced reading and thoroughly enjoyable. We meet on the 2nd Wednesday of each month from 7pm - 8pm. Our next meeting is September 11th. If you are interested, please call Cathy McElroy 347-6350 or e-mail [CATHYLCSW@sccoast.net](mailto:CATHYLCSW@sccoast.net) for the location.

## GARDEN CLUB

This past summer has given us some tough growing conditions because of a lot of rain and high temperatures. However, the coming fall weather conditions will be more favorable for us (and our landscape plants!!).

Somewhat surprisingly, the overall health of our plants remained quite good – the main problem noted in Myrtle Trace was that of the usual outbreak of the Eastern Tent Caterpillar on several trees. As suggested earlier, a strong stream of water from a garden hose directed at the insect's nest will provide good results.

With the arrival of the fall, winter and spring months, the Garden Club shall resume meeting on a regular schedule. The September meeting will be held at 2 pm in the Clubhouse on Thursday, the 5th – all interested Tracers are invited to attend since your input is vital to maintaining the beauty of the Myrtle Trace Garden. In addition, the Saturday morning (9 AM) "clean-up" session will welcome your help in keeping the Garden in tip-top condition; why not join us this coming Saturday?

Don't forget – your comments and suggestions for improvement of the Garden are always welcome (and needed!!).

"How deeply seated in the human heart is the liking for gardens and gardening." Alexander Smith

## *Thank You*

On behalf of my family and me, we wish to thank all our friends and neighbors for their kindness and show of support in dealing with my wife Jan's recent death.

*Joe Jaworski*

Thank you for the acts of kindness, friendship, sympathy and love you have shown during Norm's recent illness and eventual passing. Your visits, phone calls, meals, transportation and the assistance you have provided me and my family are appreciated more than you know. Norm loved Myrtle Trace and the people of this community. Your acts of kindness and love exemplify why he felt that way. Thank you again. Warmest regards,

*Sandy Heindel*

## Thank You & Farewell

My husband Ed and I have had wonderful years in Myrtle Trace, a great community with wonderful people. At this time, I feel I have to leave and be more accessible to our five children and seven grandchildren. It has been very lonely and painful being here without Ed, although I have many, many great memories.

I hope all of you stay healthy and happy here in this GREAT community. Thank you for the memories. Fondly,

*Maureen Lowndes*

## HEROES REMEMBERED

The Department of Defense Korean War 60th Anniversary Committee sponsored the Heroes Remembered event at the Korean War Memorial at 8:00 am on July 27, 2013, to honor Korean War veterans. A local committee headed by Larkin Spivey and Harry DuBose sponsored a no-cost bus trip to Washington, DC, to enable 42 local Korean veterans (including Ronald Crow of Walnut Circle and Jeff Blacker of Boxwood Lane) to participate in this historic occasion. They saw the WWII, Korean and Vietnam memorials. They left at 8:00 am Friday, July 26th and returned at 9:00 pm Saturday night. When they got off the bus in Myrtle Beach, a band was playing and well wishers were shaking their hands and hugging them. It was heartwarming to see.
