BOARD BRIEFS

BOARD LISTENING SESSION

Your HOA Board is interested in hearing from you. If you have comments, questions, compliments or concerns, please come to the Board Listening Session on Thursday, May 15th from 1:00 to 2:00 pm in the Clubhouse. We are particularly interested in your thoughts regarding a proposal made by one resident to change the covenants in order to allow parking of non-commercial trucks.

POOL HOURS

The swimming pool will be open for use on May 1st. Official pool hours are 8 am to 9 pm daily. At 9 pm, the Pool Closer will close the umbrellas, lock all doors, turn off lights and fans and return toys to storage. Residents who use the pool between 9 and 10 pm are asked to lock the pool gate upon leaving.

CLUBHOUSE REFURBISHMENT

Congratulations to the Committee who successfully completed the first phases of this project: Chair Bill Fox and members Pat Hargreaves, Sheilah Reynolds, Charlene Rose, Jay Sharp, Nancy Southard and Ellen Elliott. The results are outstanding. Special thanks to the many residents who volunteered their time, talent and expertise. Your work is the embodiment of the spirit of Myrtle Trace and one of the reasons this community is such a wonderful place to call home.

CLUBHOUSE TABLES

There are two items available for your use to increase the functionality of the new tables in the Clubhouse. Table extenders are located in the table racks on the right wall of the storeroom. Their use increases the seating capacity of each table. Cloth table covers, stored in the cabinet under the bar sink in the main room, provide a soft surface for cards and other games.

BOWLING

During the final three weeks of the season, the Pinheads (George Hahn, Walt Gardiner & Al Wellman) charged into first place and held on holding off the Strikers (Yvette Campbell, Millie Van Slaars & Jerry Campbell) to win the 2nd half. This matched them up against the Silver Foxes (Janet McGrady, Dick Sievers & Steve Sands) winners of the 1st half. The Silver Foxes won the first two games of the rolloff to claim the league championship.

Recent high scores have been bowled by Bob Bastian (221,617), Tony Maturi (233,595), Jerry Campbell (222,591), Don Benson (207,577), Nelson Fisher (213,576), Al Wellman (227,574), Ted Ackley (541), George Hahn (522), Pat Benson (484) and Bonnie Cranstoun (463).

The high average bowlers for the season were Al Wellman (184), Bob Bastian (181), Don Benson (179), Yvette Campbell (142), Bonnie Cranstoun (139 and Millie Van Slaars (127).

GARDEN CLUB

I thought spring had arrived until several cold nights a few weeks ago. Then, we were hit again with a cold blast from the north. Most plants should have survived with little problem.

The garden has been in bloom for the last month or so with a multitude of colors. The daffodils and mahonia are finished for the season but the azaleas are just beginning their flush of color. You will see bright shades of pink, red and white plus the brilliant yellow in the middle of the garden. The native azaleas along the left side pathway are a real treat if you take the time to go and enjoy their fragrance.

This is the time of year you may see the Eastern Tent Caterpillar appear in the branches of your trees and shrubs. The caterpillar feeds on the tender leaves and may completely defoliate the host plant. The plant will rarely die due to no leaves and will show signs of recovery in a few weeks.

Many early blooming shrubs have finished their display of color and are ready to be pruned. Pruning can not only shape your shrub it can encourage new growth. Be on the lookout for scale, aphids and sooty mold on crape myrtles. Treat these pests early before they become a real problem.

Can't wait to get your hands in the garden soil? Plant those summer blooming bulbs such as dahlias, cannas, gladioli and caladiums. They will give you some great summer blooms.

We are looking for someone who would be willing to arrange speakers for the monthly club meeting. If you are interested or have any suggestions, please call John Beam at 347-3463.

Remember, our garden clean up days for May are Saturday, May 3 and Saturday, May 17. We can always use a little help cleaning up the pinecones and small debris that collects in the wooded area. Hope to see you 5/3 and 5/17 anytime after 9:00.

Thank You

We would like to express our thanks and appreciation to the wonderful people of our Myrtle Trace community for all the support and consideration given to Ken and I during his lengthy battle with Multiple Myeloma. We both felt very fortunate to be living among so many caring friends. Special thanks to all the members of the Woodstorkers golf group. Ken loved playing with them and they gave us so much help whenever needed. Thank you and may God bless all of you.

NEIGHBORHOOD WATCH

Several neighbors have called alerting me to the fact that a couple of men driving a gray Dodge Caravan with ladders on the roof are soliciting business in the neighborhood. The police were called and have been looking for them. I ask that if any of my drivers see the van on their watch, get the plate number and call it in to the police on the non-emergency line (248-1520). Any resident should call that number if they see suspicious vehicles or persons in our community.

I would also like the residents to know that the Neighborhood Watch drivers are monitoring the neighborhood every day 365 days a year. We are very proud of them and the service they perform. They are: Herb Baraga, Pat Brunk, Colleen Carter, Charlie Conklin, Nelson Fisher, Jennifer Jenemann, Tom & Diane Kedzierski, Fred Krause, Mary L'Heureux, Elizabeth Maass, Al Orth, Janet Robertson and Mary Francis Williams.
