## BOARD BRIEFS

### AMENDMENTS TO CLUBHOUSE RULES

At its May meeting, the Board of Directors approved two amendments to the rules governing the use of the Clubhouse.

Dogs, cats and other domesticated pets are not allowed in the Clubhouse at any time. This restriction does not apply to registered Service Dogs.

Changes or modifications to the new sound system are to be made only by trained professionals and only with the prior approval of the Board of Directors. No other persons are authorized to alter the system in any way.

### SPEEDING

From time to time, it becomes necessary to remind our residents that the legal speed limit on the streets throughout Myrtle Trace is 25 miles per hour. Since we have no sidewalks, motor vehicles must share the streets with walkers, joggers and bikers. In addition, most of our residents back out of their driveways into the streets. Vehicles exceeding the speed limit present a potential hazard to drivers entering the street. The Board encourages each of us to be considerate of our neighbors and obey the posted speed limit.

### POOL REFURBISHMENT

The special Pool Refurbishment Committee did an outstanding job of planning, executing and monitoring a major overhaul of the Myrtle Trace pool area. Necessary repairs were identified and implemented including the elimination of the infamous pool leaks! A new pool deck was installed, a new, attractive fence was put in place and new furniture was purchased. Most of the improvements to the Cabana have also been completed. Property Committee Chairperson Nancy Southard chaired the special committee which included Luise Henry, Mary Johnsen (until she was elected to the Board), Emily Kaplan, Thor Kongvold, Mike Reynolds, Paul Sallas and Dan Seeds. The Board deeply appreciates the efforts of this excellent committee.

### ACTIVITIES COMMITTEE

The April Bar-B-Q Dinner was a great success and it featured the western songs and jokes of Dandy Don. Pot Luck and the Coffee Klatch were both well attended.

Special activities during June will include the Strawberry Festival on June 6th and the bi-monthly Get Together on June 12th. A picnic and pool party are planned for the 4th of July. Please refer to the enclosed fliers for each of these events. Recurring activities are shown on the calendar on the back page.

Bingo and the monthly Movie Night will be suspended for the summer months and will resume in September.

Activities Committee meetings are held on the second Monday of each month in the Clubhouse at 7:00 pm. All Myrtle Trace residents are welcome to attend and the Committee would be delighted to consider new ideas. Welcome to Santo Perry who has recently joined the Activities Committee. The next meeting will be held on June 8th in the Clubhouse.

## PROPERTY COMMITTEE

We had a successful opening of a very popular area of our sports complex, the pool, on May 1st. The water temperature may not yet be to everyone's liking but the "new" area hopefully has met or exceeded residents' expectations. The new partitions in the restrooms have been installed. If you haven't had the opportunity to see the new pool area, we hope you will in the next couple of months.

The last phase of the pool renovation, work on the cabana itself, will hopefully be completed in 2016. There are boards which need to be replaced, new gutters and finishing touches to the pergola supports. We also are considering some new landscaping in the area of the pool which faces the parking area.

This year, sixty-three residents submitted a request for sod replacement. Al Hardee, one of his workers and I examined each property where a request was submitted. A note detailing what action would be taken was placed in the newspaper box.

PLEASE - DO NOT MOVE ANY OF THE TABLES AT THE POOL - NOT EVEN A LITTLE BIT !!! THE DECK OR THE TABLE OR BOTH COULD BE DAMAGED.

## ARCHITECTURAL REVIEW COMMITTEE

Now that spring is here and summer approaches, we appreciate the increased number of residents who have submitted project requests to ARC for review. We do, however, remind all homeowners that any outdoor project on home exteriors or property improvement except annual plantings, need to be submitted to ARC for review. We sincerely thank all MT Homeowners for their diligence in the past and look forward to working with all our residents in this upcoming season.

## GARDEN CLUB

With the availability of container-grown trees, planting in the hot summer is possible, just be prepared to water regularly. Unless you're willing to put in the time, wait until fall when the odds of successful establishment are more in your favor.

Divide overcrowded daffodil bulbs after the foliage has ripened and died down. Plant the bulbs immediately or store them in a paper bag in a cool dry place for fall.

Fragrance gardens are delightful additions to outdoor lounging areas. Here are several plants to choose from: Dianthus, Lilium "Stargazer", Phlox, Peony, Lily, Flowering Tobacco, Petunia and Wallflower.

There will be no Garden Club meetings during the summer. Meetings will resume in September.

Happy Gardening!

## *Thank You*

I wish to give my caring thanks to all my friends and wonderful neighbors for their support, visits and prayers and for all the cards, phone calls and food during my hospital stay and recovery. Myrtle Trace is and always will be the best place to live. Thank you all and God Bless.

*Yvette Campbell*

The family of Ruth Coy thanks all of the people for the cards, meals and kind messages.

Sincerely,

*Edward A. (Ted) Coy*
