Myrtle Trace

A Newsletter by Myrtle Trace Residents for Myrtle Trace Residents November 2015

BOARD BRIEFS

RAY BINIS RESIGNS FROM THE BOARD

Director - at - Large Ray Binis has resigned from the Board of Directors to attend to some personal matters. Ray has been a valuable asset to the Board over the past 20 months and his contributions are deeply appreciated.

DAVE SMYTH JOINS THE BOARD

Dave Smyth has been appointed to the Board of Directors replacing Ray Binis. Dave has been a very active member of the Property Committee over the past few years and has served as Vice Chairman of that committee for the past couple of years. The Board welcomes Dave.

WEBSITE REDESIGN

A complete redesign of the Myrtle Trace website is underway and it should be up and running sometime during November. In the meantime, our current website is still active. The new site will have the same address (www.myrtletracesc.org) as the old one. The redesign is being done for two reasons. First, we would like to make the most popular features of the site more easily accessible. Second, the redesign will make revisions and updating less complex.

DOG WALKERS

The vast majority of our resident dog walkers are extremely conscientious about picking up after their pets. Our entire community greatly appreciates this. With the holidays approaching, we will have an influx of visitors many of whom will bring dogs. We would ask those of you who have "four legged guests" to please make their owners aware of our rules regarding picking up on both private property and common areas. Also, if you have visitors walking your dogs, please make them aware as well. Your cooperation will be appreciated.

WILDLIFE

From time to time, we seem to be inundated with Canadian Geese and stray cats. Both are nuisances for different reasons. Some of our residents are inclined to feed these creatures and this encourages them to take up permanent residency. All of our residents are asked to please discontinue the feeding in the hope that they (the creatures) will move on to more beneficial areas.

Happy Thanksgiving, Everyone !!!

If you're traveling, please be safe !!

ACTIVITIES COMMITTEE

The Tour of Conway was attended by 7 Myrtle Tracers. The tour was followed by refreshments served at the Chamber of Commerce.

Veterans' Day will be celebrated on Sunday, November 8th. Remember to honor all who have served our Country.

Thanksgiving Dinner will be hosted by Anne Kongvold and Carol Shea. Please sign up as early as possible.

Movie night November 27th has "Age of Adeline" scheduled at 7 pm.

To All Residents - please come to an Activities Committee meeting. The next meeting will be held on November 9th at 7:00 pm at the Clubhouse. Your ideas will be heard and you can vote on upcoming activities.

Dianne McDonough

MTCC SCHEDULES CHRISTMAS CONCERTS

The Myrtle Trace Community Chorus has scheduled two Christmas concerts for the month of December. The first concert will take place on Friday evening, December 11, at 7:00 pm and the second one will occur on Saturday afternoon, December 12, at 4:00 pm. The concerts are open to all Myrtle Trace residents. A flier with ticket information and a reservation form will be published in the December issue of News & Views. Because of limited seating only 65 reservations for each program will be accepted.

PROPERTY COMMITTEE .

During the month of October, the Property Committee experienced some changes. First, at its regular monthly meeting, the Committee voted to change the starting time of its monthly meetings to 9:30 am.

Second, at its October meeting, the Board of Directors appointed David Smyth to fill the remainder of the term of Ray Binis. Dave has been a member of the Property Committee for a number of years and he has served on a number of Property sub-committees. He has played a key role in maintenance of our gates, assisted Mike Reynolds with lake management and, for the last few years has served as Vice-Chair to the Property Committee. He will be missed as a member of the committee. We thank him for all he has done in serving as a committee member and wish him the best in his new role.

Third, Dave leaving the Property Committee will require some adjustments to other members and their roles on the committee. Leo Reger, the representative for Phase 7, has also been helping with gate maintenance. He has agreed to take on the additional responsibility of serving as the new Vice-Chair. Thank you, Leo, for your willingness to accept this position.

Nancy Southard

GARDEN CLUB

Here's an easy project for colorful blooms in November and in the spring taken from Bob Polomski's book; *CAROLINAS Month-By-Month Gardening*.

Fill a plastic container (so it won't crack during the winter) one-third full with potting soil. Next place bulbs (any variety) in the pot with pointy ends up. Pack in as many bulbs as will fit in one layer.

Add more potting soil until the container is two-thirds to three-fourths full to ensure the bulbs are planted deep enough. Leave room to add more potting soil and annual flowers on top.

Next, add cool-weather annuals, such as pansies or flowering kale to the container. Perennials may be planted as well. Be sure to place them close together in the container for maximum blooms & color.

Fill potting soil around the annuals and/or perennials leaving ½ to 1 inch from the top of the soil to the rim of the container.

Finally, water the container and leave outside all winter. Water at least once a week unless the pot is frozen solid. The bulbs will grow up through the plants. And please share your project results with us.

ADOPT A PLOT: Looking for volunteers to assist us in keeping the Clubhouse garden beautiful. Adopt a 10 ft. plot. For more information please attend the next Garden Club meeting on Nov. 12th at 1pm in the Clubhouse. Come share your gardening questions, suggestions and experience.

Sandy Ream

Thank You

On behalf of myself and the family, I wish to extend a sincere thank you to our friends and neighbors for their cards, concerns and prayers during Georgine's battle with pancreatic cancer. She was strong until the end and passed peacefully. Myrtle Trace has been a wonderful place to spend our retirement years.

Donn M. Ebert

NOMINATING COMMITTEE

The Myrtle Trace Nominating Committee chaired by Ellen Elliott is working diligently to identify well qualified candidates to compete for the two seats on the Board which will be vacated in February.

If you are approached by a member of the committee, we ask that you give being a candidate serious consideration. Likewise, if you are interested in exploring being a candidate please contact any member of the Nominating Committee. An announcement of the candidates will be made in the January issue of the News & Views and candidate resumes will be included in the Annual Meeting information packet which will be distributed in mid January.

MOVIE NIGHT

The November movie will be "The Age of Adaline" starring Ellen Burstyn and Harrison Ford. After 29-year-old Adaline recovers from a nearly lethal accident, she inexplicably stops growing older. As the years stretch on and on, Adaline keeps her secret to herself - 'til she meets a man who changes her life.

MYRTLE
