ACTIVITIES COMMITTEE

Thanks to Marie Tims and her committee, the Chinese New Year was a smashing success. Chinese food, decorations, favors, prizes and gift exchange were the highlights of this event.

Our monthly events for March are The Play (False-Cetto Pirates), Saint Patrick's Day Dinner, and the Easter Breakfast and Egg Hunt. Please refer to the fliers in the News and Views and RSVP early as our events are selling out quickly.

Plan on attending some or all of our regular activities. REMINDER: BINGO WILL BE ON FRIDAY, MARCH 23. If you haven't had the pleasure of attending any or all of them, check the calendar and make a date. You will find them a great way to learn about the community and meet many new people.

Loneliness is more devastating to your physical, mental, and emotional health than smoking 15 cigarettes a day or being obese. The best way to combat this is to be or get involved with a varied activity schedule, interacting with differing viewpoints shared by diverse people. What better way to improve your well being than to get involved in the Myrtle Trace Community.

Our next MTAC Meeting will take place on March 12th at 7 pm. Please come and bring new ideas you are willing to work on.

GARDEN CLUB

"A tisket a tasket" create a floral Easter Basket on Saturday, March 24th at 1:00 p.m. in the Clubhouse. Resident John Drohan will be instructing attendees on how to make a lovely live flower arrangement suitable for your Easter table. Be sure to sign up early as John's classes fill up fast. Please see our flyer for more information.

On February 8th, we were delighted to hear Stephanie Spivey, of Backwoods Nursery, speak about butterflies and butterfly gardens. Stephanie's informative presentation helped us to understand these beautiful creatures and their vanishing habitats. It is imperative that we do whatever we can to provide healthy habits for these important pollinators. Stephanie was kind enough to leave her instructional materials with the Garden Club for anyone interested in learning about butterflies and the plants that attract them.

The next regular meeting of the MT Garden Club will be held on Thursday, April 12th at 1 pm. in the Clubhouse.
