ACTIVITIES COMMITTEE

Spring is in the air, flowers are blooming. The Garden Club was busy sprucing up the grounds around the Clubhouse. Yappy Hour was partially rained out but Mother Nature saved the day and we were able to enjoy the outdoors. Embroidered towels with the dogs' names on them were given to all who attended (dogs that is). Easter Breakfast and Egg Hunt with a special appearance by the Easter Bunny, always Fun! Bocce is over till the Fall. Stop by the Clubhouse and check out the winners' names on the plaque.

Hooray for May...the pool will open and our Annual Memorial Day Picnic and Parade will be held.

Once again all residents are encouraged to come out and meet your neighbors.

GARDENERS GATHER GROUP

Our May meeting guest speaker will be Wanda Lily, the Arborist for the City of Conway. She knows we have lots of trees. Everyone is invited to the meeting on May 9, at 1:00pm at the Clubhouse. We look forward to seeing many of you there to listen and learn from an arborist who loves trees for a living.

Gardening Tip of the Month:

To attract hummingbirds, plant red and orange shades of columbine, daylily, petunia, scarlet sage and trumpet honeysuckle..

Thank You

Thank you to everyone who has helped me while I am recovering from my fractured hip. The rides, the food, the well wishes are greatly appreciated and are great morale boosters.

A Heartfelt Thank You

March 23, 2019 will be a day that I will never forget. I arrived at the Clubhouse expecting to attend a belated birthday party for an acquaintance. When I opened the door, the first person that I saw was my brother. I immediately knew that I had been had. The secrecy surrounding this event should be a blueprint for CIA programs. I want to thank all those who attended and made the celebration so special and to those who dropped off cards. An extra special thanks to those who decorated, made the centerpieces and who volunteered to serve the delicious food. Lastly, I need to thank the architect of this event, Anne Kongvold. Regards,

Don Johnsen

MYRTLE TRACE VOLUNTEERS NEEDED

Myrtle Trace is a well-established community of active residents. SCORE is an active non-profit organization of volunteers in partnership with the Small Business Administration (SBA). These volunteers provide free mentoring and support to entrepreneurs who are starting their business or businesses looking to grow. Last year, Grand Strand SCORE Mentors assisted 213 business clients and thus far in 2019 are actively mentoring 113 business clients. This is only part of what SCORE does. Recently more than 100 business owners and managers attended a program called "Get your business on line" a SCORE program.

In 2019 SCORE is planning 50 workshops on various business topics to help businesses grow or start-ups get started. With the bridge problem and past flooding some businesses need help in Conway and SCORE is there to do that.

SCORE is reaching out to those who are interested in becoming an active SCORE member. Are you one of those? We could use your experience and expertise. If you would like to join SCORE, call your president, Santo Perry, at 843-231-6073 and he will let SCORE know, or call Ray Binis, a SCORE mentor and a Myrtle Trace resident at 843-655-3030. SCORE will then set up a meeting at the Clubhouse for Myrtle Trace residents to attend and learn more about becoming a helpful mentor with SCORE, freely helping those that need your assistance.

MYRTLE TRACE DINING OUT

Recently, I became the Coordinator for the Myrtle Trace Dining Out group and I would like to welcome all Myrtle Trace residents to join us for future dining out events. We usually meet the fourth Tuesday of the month. It is a great opportunity to catch up with old friends and make new ones. Let's not forget that we get to try new restaurants.

We are in need of hosts for upcoming months - without hosts, we will not be able to have the monthly dining out events. Hosting is really not that much work and you will get plenty of expert guidance! Please contact me at 843-349-0195 if you are interested in hosting. Thank you.

LOST & FOUND

For several years, there has been a small plastic box located in the original storeroom in the Clubhouse serving as a depository for small items which may have been found around the community. The box is located on top of one of the large storage cabinets on the left side of the storeroom. It is clearly marked and presently contains several pairs of sunglasses.

POOL MONITORS & POOL CLOSERS NEEDED

With the warm weather on its way and the swimming season upon us, we need a few additional Pool Monitors and Pool Closers. Our pool users will appreciate your help. Please contact Sandra Main at 973-222-5199 if you can help us. Thank you.
